New Haven brings together people from all walks of life, from different ethnic groups, and even different parts of the Greater New Haven Region. Trinity Church on the Green brings together more than 400 families from 20 towns, representing all of Greater New Haven's diversity. In addition, it reaches out to the community with its choirs, community service projects and much more.

The stained glass windows of Trinity on the Green have inspired people from all walks of life for more than 250 years. But weather and time have taken their toll on these historic pieces of New Haven history as well as the building itself.

This year we are asking for your help to be part of our restoration project by donating goods or services to a Silent Auction in November. If you have donated in the past, we thank you for your generosity and ask you to again consider being part of this project. If you are new to the Silent Auction, it is a wonderful opportunity for the New Haven community to come together.

The Silent Auction is part of Trinity's highly successful Holiday Bazaar, a four day annual event held the weekend before Thanksgiving. With our unique hand-crafted goods, café and white elephant sale, we attract hundreds of folks from in and around New Haven each November.

The Reverend  
Andrew E. Fiddler  
Rector

Your donation is not only tax deductible but provides valuable advertising through our extensive mailings and publicity. We will also work with you to create a table sign at the Silent Auction to display your donations.

Please consider joining us as we preserve these historic and beautiful stained glass windows as well as the building itself for generations to come. Thank you for your time and consideration. A member of our Silent Auction Committee will contact you soon.

Respectfully yours,

Rose Pawlikowski & Mary Ann Stroup  
Silent Auction Committee
