

## **FAMILY FAITH ACTIVITY:**

### **Good Roots Thank You Note**

- **Ask your child:** Who has told you about the good things Jesus wants us to do and say? Who helps you to do those things?
- **Ask:** Who helps you pray? Who taught you to be kind, loving and patient with others? Who showed you how to be caring to others?
- There may be several people that your child mentions – including you!
- Have your child create a thank-you note for one or more of the people mentioned using page 2 of this lesson.
- Print one or more copies of page 2.
- Write the person's name in the blank space at the top of the page.
- Along the roots at the bottom, have your child write the words or things the person has taught them that is helping your child grow.
- Finish the picture by adding flowers or butterflies, a sun or sky, etc.
- **Make someone smile:** Mail or give the picture to the person as a thank you from your child.

**See page two for the activity page.**

Thanks, \_\_\_\_\_,  
for the good roots!
