

February Monthly Mission: Signs of God's Love

Your Mission this month is to create a "Love Bucket" and fill it with signs of God's love that you see in the world or your family. The "bucket" can be a basket, a jar, or a decorated box. Print several copies of this page, cut between the lines and create love notes to be put in your love bucket. Or, just use pieces of paper you already have in your house.

Throughout the month, write signs of God's love that you see in the world, your family, in school or at work.

For example, you may see one neighbor shoveling snow for another neighbor. You would write it on the paper and put it in your Love Bucket. Or, maybe you give your dog or your brother or sister a hug. Write it down and put it in the Love Bucket. Your mission is to fill your Love Bucket with as many signs of love as you can. Look hard.

At the end of the month, take them out, one by one, and read them together to remember how God showed Love in your world during the month of February.
